

## Eligibility

**Eligibility Date:** On the date of hire  
**Eligibility Requirement:** Regular full-time and regular part-time employees scheduled to work 20 hours or more per week

## Commute Overview

Your Commuter Benefits provide you with the ability to use tax-free funds to pay for your eligible commuting costs. If you make an election, you will receive a debit card that will be loaded with funds each month for your elected Transit and/or Parking Plan amount(s).

## Eligible Commuter Expenses

Common eligible commuter expenses include:

- Train and subway
- Bus
- Ferry
- Eligible Vanpool
- Parking near the office
- Parking near mass transit for commute to work

## Minimum/Maximum Pre-Tax Elections

	<a href="#">Transit Plan</a>	<a href="#">Parking Plan</a>
Minimum (monthly):	\$1.00	\$1.00
Maximum (monthly):	\$270.00	\$270.00

You may also elect to contribute additional funds on a post-tax basis, which will be added to a separate account that will be used automatically if your expenses exceed your pre-tax limit.

Please note: IRS regulations also prohibit *spending* more than the Federal Maximum amount per month in pre-tax Transit or Parking funds, regardless of what your pre-tax plan balances are at the time.

## Debit Card

You will receive a debit card in the mail 7 to 10 business days following your enrollment in the Transit and/or Parking Plan.

If you also have the Kaiser HRA with Vita Flex, all of your plans will use the same debit card.

\*Attention Caltrain riders: Due to Federal regulations, your debit card will not work at Caltrain terminals. However, you may use your debit card to fund your Clipper card.

## Important Deadlines

Claims must be incurred during the Plan Year, which is the date your election becomes effective through December 31, 2020. All Parking claims incurred in the Plan Year must be submitted no later than March 31, 2021 (you are not permitted to submit any claims for Transit expenses; you must use your debit card during the Plan Year).

## Per Paycheck Reductions

Deductions for Parking and/or Transit will be taken on a pre-tax basis through payroll. Any additional funds that you may contribute (above the amount of the pre-tax maximum) will also be deducted through payroll, but those additional funds are taxable.

Funds equal to your payroll deductions for Parking/Transit will be loaded onto your Vita Flex debit card.

## Mid-Year Election Changes

Unlike other pre-tax benefits such as Flexible Spending Accounts (FSAs), enrollment and participation in the Vita Commute program is not restricted to an annual "Open Enrollment" period. You may make an election or request a change to your Parking or Transit contribution amount at any time after you become eligible to participate. To change your Parking/Transit contribution amount(s) directly, log in to <https://nutanix.okta.com>.

## Deadlines for making changes:

*To modify your mid-month paycheck deduction amount(s), please log in and make your changes by the end of the prior month.*

*To modify your end-of-month paycheck deduction amount(s), please log in and make your changes by the 15th of the month.*

## Filing Claims

Claims can be submitted online ([www.vitaflex.net](http://www.vitaflex.net)) for parking expenses for which you did not use your debit card. Transit expenses may only be paid with your debit card.

Parking claims may be submitted as expenses are incurred, or they may be bundled and filed on a periodic basis. All claims for the 2020 Plan Year must be received by March 31, 2021.

If you terminate your employment before the end of the Plan Year, your Parking claims must be submitted within 90 days after your termination date.

To view your account activity or to download a Parking Claim Form, log into your Vita Flex account at [www.vitaflex.net](http://www.vitaflex.net).

## Commute Funds Rollover

If you do not incur sufficient expenses to exhaust your entire Commuter Plan election(s) during the 2020 Plan Year, the remaining funds will be rolled over on January 1, 2021 for you to use in the same type of plan(s).
