

2021 401(k) Deferral Election Cutoff Dates

**** Please note that this is simply a guide for timing deferral election changes within your 401(k)-plan account at Fidelity in conjunction with each payroll cycle. Any changes made to your deferral election will be effective the payroll following the date of your change. It may take anywhere from one to two payroll cycles to update and be reflected in your paycheck, so your change may occur later than expected.****
