<sup>1</sup>LPFSAs are never taxed at a federal income tax level when used appropriately for qualified dental and vision expenses. Also, most states recognize LPFSA funds as tax deductible with very few exceptions. Please consult a tax advisor regarding your state's specific rules. | <sup>2</sup>The example is for illustrative purposes only. Estimated savings are based on a maximum annual contribution and an assumed combined federal and state income tax bracket of 20%. Actual savings will depend on your contribution amount and taxable income and tax status. | <sup>3</sup>Contribution limit is accurate as of 10/20/2022. Each fall the IRS updates the LPFSA contribution limits.
