

Register on myuhc.com[®]

and get your new HealthSafe ID[™].

Connect to myuhc.com and get plan details and personalized health information. Whenever you need it. Wherever you are through myuhc.com.

Use it to:

- Find network care, compare costs, and use the mapping tool to get directions.
- See what's covered, and get information about preventive care that's covered at no cost to you.
- View claim details and account balances.

It's quick and easy. Visit myuhc.com and click "Register Now."

To set-up a HealthSafe ID you'll be asked to:

- 1 Identify yourself.**
Enter your name, birthdate, ZIP Code, Member ID and group number.
- 2 Create a username and password.**
The website will guide you through password requirements.
- 3 Set-up account recovery preferences.**
In case you misplace your username or password.
- 4 Agree to Terms of Use, Privacy Policy, and the Consumer Communications Notice.**
Which you may review on the website.
- 5 Confirm your contact information.**
You'll be guided through steps to verify your email address and phone number.

What is a HealthSafe ID?

It is a new and improved registration process that makes it easier to move across our websites using the same log-in.

Returning members

Complete this process to create a new HealthSafe ID to access myuhc.com.

Get the most from your plan. Register at myuhc.com.

Need assistance? Call the number on your health plan ID card.

Go mobile.
