

NUTANIX

Vetster is delighted to offer Nutanix employees an instant **25% discount off virtual vet appointments with Vetster.**

Vetster is North America's fastest growing virtual veterinary and pet care platform. With trusted, top-rated veterinarians available 24/7 across Canada and the US; Vetster makes it easy for pet owners to find and book appointments with a vet at their convenience and from the comfort of their own home.

Convenience for when you have a pet health concern. If you are unable or if visiting your local clinic is challenging for you, we're here for all your pet health concerns, big or small.

Here when you need us with 24/7 online veterinary appointments. Vetster has online vets available 24/7 - 365 days a year, when you need it, which helps you avoid unnecessary trips to the emergency room.

Simple, easy-to-use care solution from the comfort of your home. Using Vetster will save you time and money
